Objective

UI/UX Designer with over 2+ years of hands-on experience designing user- centered digital experiences, including websites, social media creatives, and interactive animations. Seeking a challenging role where I can leverage my design thinking, visual design expertise, and collaborative skills to create impactful and scalable user experiences.

Experience

Verveo **July 2025 - Present** **UI UX Designer**

- Spearhead the UI/UX design of Verveo internal website, crafting intuitive layouts and seamless user experiences aligned with brand identity.
- Design and deliver social media posts weekly for LinkedIn, aligning with brand strategy to boost Verve's online presence.
- Transformed complex ideas into clean and modern interfaces with a user-first approach.
- Create dynamic SVG animations, adding interactive elements to elevate user engagement across digital platforms.
- Collaborate closely with development and marketing teams, ensuring designs are implemented accurately and aligned with campaign goals.

BuildQuick **2 Dec/2024 - 14 July/2025** **UI UX Designer**

- Collaborated closely with developers and stakeholders to ensure implementation of user-friendly designs.
- Led UI/UX design for mobile and web platforms using Figma and interactive prototypes
- Transformed complex ideas into clean and modern interfaces with a user-first approach.

UI Tech Lab 3 April/2024 - 23 Nov/2024 UI UX Designer

- Conducted user research and usability testing to identify pain points.
- Designed solutions for healthcare, sports, and e-commerce platforms.
- Developed prototypes and high-fidelity mockups, improving product engagement.

Techno boot Pvt Ltd 12 Dec/2022 06 June /2023 UI UX Designer Intern

- Developed prototypes and high-fidelity mockups, improving product engagement.
